

**Nomination of community representatives to the Consultative Council for Communities:
Turkish community-specific workshops, Prishtinë/Priština**

5 December 2009

On 5 December, the Secretariat of the Consultative Council for Communities (CCC) and the European Centre for Minority Issues Kosovo (ECMI Kosovo) organised a meeting in Prishtinë/Priština with representatives of the Turkish community, with the aim of providing technical support for the nomination of community membership to the CCC.

Present at the meeting were 29 representatives from Turkish civil society, including CCC members Mr Tahir Luma and Mr Ibrahim Arslan; and ECMI Kosovo representatives, Ms Zihnie Gurmani and Ms Katherine Nobbs.

Ms Nobbs gave a brief presentation on the technical requirements for accreditation of a

Community Representative Organisation (CRO), and submission of a list of nominees, and reminded all representatives present that both had to be chosen during the workshop.

Community representatives then held a closed session, during which all participants were given the opportunity to suggest nominees. Six candidates were put forward, although current CCC member Mr Ibrahim Arslan withdrew his candidacy due to prior commitments. The community was unanimous in its support for **Mr Tahir Luma**, and it was agreed that the President would select two other members from among the remaining four candidates. The four discretionary candidates were as follows:

Mr Ercan Kasap
Ms Tacida Hafız
Mr Enver Nobırda
Mr Cengiz Çesko

Ms Nobbs noted that, in order to submit more nominees than the number of positions allocated to the Turkish community (three), the community would need to select two organisations for accreditation. It was agreed that these would be **Doğru Yol** and **Gepçek**. Ms Nobbs then provided representatives from both organisations with further technical information on the accreditation process.
